Kennesaw State University utilizes SmartCard technology for all goods and services currently accessed with the KSU ID card. Sponsored by Fifth Third Bank, the KSU Campus Card provides secure "tap and go" capabilities for services such as copying and printing, while still utilizing magnetic stripe technology for traditional campus retail transactions.

**Our Mission:**
To provide Kennesaw State University students, employees, and visitors with authenticated access to campus services and facilities.

Want even more convenience?

Get an OwlTap disk.

Though you must always carry your KSU Campus Card ID with you at all times, it doesn’t mean it’s always easy to reach. The OwlTap disk can be adhered to phone cases, key fobs and anything else that you always have handy. You can use the disk just like your Campus Card and tap it for:

- Entry to The Commons
- Riding the BOB shuttle
- Copiers and Printers
- Paying with KCash at tap and go cashiers

The cost is only $5.00.

Each disk is programmed specifically to you just like your ID Card. Do NOT punch a hole in the disk as it will damage the technology chip.

OwlTap disks cannot be used for identification purposes. Contact Card Services immediately if your disk is lost or stolen.

DO NOT punch a hole in the card as it will damage the technology chip.
